YUKON

THE STORY

Naming a blind fabric after a region in Canada is unusual, but we think it's fitting. Yukon is close to Alaska, and the raw look of the pattern we used and the natural feel that it creates certainly shows some similarities with its namesake. Similarly to most of our designs, we have chosen a dyed yarn to provide more depth and contrast in the fabric colours.

Colours shown are a representation only. Blinds matched to paint colours may differ batch to batch due to the fabric, texture, sheen and processing. Please refer to the actual blind product sample, or for paint choices, the actual Resene paint sample, before making your final choice. We recommend choosing complementary, not matching, paint colours to work with your blind colour.
