

SHADE
ELEMENTS

Vertigo Window Awning

As innovators of outdoor-living solutions in New Zealand for many years, Shade Elements has become an industry leader of awnings, screens and retractable pergolas.

The Vertigo Window Awning can significantly reduce cooling costs during summer and protect interior furnishings from the sun's harmful rays, while adding colour and style to your exterior.

Choose the material to suit your needs – Shadeview Mesh to provide visibility and diffused light; Docril canvas for privacy.

Visit shadeelements.co.nz to find an installer near you.

We create versatile, beautiful outdoor spaces that connect seamlessly to homes and gardens, while providing shelter from the elements.

Fabric

Colour - the key to creating the perfect environment for you. Our hard wearing fabric range has been carefully developed to make the very best outdoor living accents. Visit shadeelements.co.nz to see the full fabric collection.

Designed and manufactured in Spain and known for its superb quality with an extensive colour palette.

Docril offers an impressive selection of 132 vibrant colours to suit any décor and comes with a 10 year UV warranty.

Shadeview fabric cleverly diffuses light, lends a pared-back finish and optimises views but it still protects you and your home from the elements. Available in different weave options with 25 colours.

Automation

Awnings can be automated to respond to the touch of a button, allowing you to relax and enjoy the ease of remote operation.
